

Course Wise Eligibility for SSRGSP Admission		
S.N.	Course Name	Exisiting Eligibility
1	Advanced Air Conditioning and Refrigeration (HVAC)	Diploma in Engineering
		Refrigeration and Air Conditioning / Mechanical / Electrical / Electrical & Electronics / Production
		OR
		Any other equivalent branch
		OR
		Degree in Engineering:
		Mechanical / Refrigeration and Air Conditioning / Electrical / Electrical & Electronics / Production / Industrial Engineering/ Electrical and instrumentation
		OR
		Any other equivalent branch
		OR
		ITI
		Refrigeration and Air Conditioning / Mechanic Air Conditioning plant / Electrician / Fitter / 10 th Welder/ Sheet Metal Worker
2	Advanced Automotive Technology	OR
		Any other equivalent branch
		OR
		Degree in Engineering:
		Automobile / Mechanical/Production Engineering
		OR
		Any other equivalent branch
		OR
		ITI
		Mechanic (Auto Electrical and Electronics)/ Mechanical Diesel Trade/ Mechanic Auto Body repair /Electronics Mechanic/ Diesel Mechanic /Tractor Mechanic / Motor Vehicle / Fitter
		OR
		Any other equivalent trade
3	Advanced CNC & Precision Engineering	Diploma in Engineering
		Production Engg / Mechanical Engg / Industrial Engg / Manufacturing Engg / Tool Engg / Tool and Die Engg / Mechatronics Engg / Automobile Engg / Aerospace Engg / Marine Engg / Plastic Engg / Engineering Design / Product Design
		OR
		Any other equivalent branch
		OR
		Degree in Engineering:
		Production Engg / Mechanical Engg / Industrial Engg / Manufacturing Engg / Tool Engg / Tool and Die Engg / Mechatronics Engg / Automobile Engg / Aerospace Engg / Marine Engg / Plastic Engg / Engineering Design / Product Design
		OR
		Any other equivalent branch
		OR
		ITI
		Turner / Fitter / Machinist / Machinist Grinder / Tools & Die Maker / Operator Advance Machine Tools / Mechanic - Machine Tool Maintenance/ CNC Machining Technician
		OR
		Any other equivalent trade

Course Wise Eligibility for SSRGSP Admission		
S.N.	Course Name	Exisiting Eligibility
4	Advanced Electrical Technology (Power & Control)	Diploma in Engineering
		Electrical / Electrical & Electronics / Electrical and Instrumentation
		OR
		Any other equivalent branch
		OR
		Degree in Engineering:
		Electrical / Electrical and Instrumentation / Electrical & Electronics
		OR
		Any other equivalent branch
		OR
		ITI
		Electrician / Wireman Trade
		OR
		Any other equivalent trade
5	Advanced Electronics (AI & IoT Integration)	B.Sc/ M.Sc/ Electronics
		OR
		Diploma in Engineering
		Electronics & Instrumentation / Embedded System/Internet of Things (IoT)/ Embedded System & IoT/ Digital Electronics/ Electronics / Computer Science / Electrical & Electronics / Electronics and Communication
		OR
		Any other equivalent branch
		OR
		Degree in Engineering:
		Electronics & Communication (VLSI)/ Electrical/Electronics and Instrumentation Technology /Electronics and Communication/AI & Data Science/ Electrical & Electronics / Electronics / Computer Science / Compute science with IoT
		OR
		Any other equivalent branch
		OR
		ITI
		Instrument Mechanic / Electrician/ Electronics System Maintenance/Technician Electronics System Deisgn & Repair/ Artificial Intelligence Assistant/ IoT Technician / Consumer Electronics / Medical Electronics / Electronics Mechanic
		OR
		Any other equivalent trade
6	Advanced Mechanical and Electrical Services	Diploma in Engineering
		Mechanical / Electrical & Electronics / Electrical/ Civil
		OR
		Any other equivalent branch
		OR
		Degree in Engineering:
		Electrical / Mechanical / Electrical & Electronics/Civil
		OR
		Any other equivalent branch
		OR
		ITI
		Electrician / Fitter /10 th + Welder / Mechanical Diesel Trade / Welder (Fabrication & Fitting) / Plumber
		OR
		Any other equivalent trade

Course Wise Eligibility for SSRGSP Admission		
S.N.	Course Name	Exisiting Eligibility
7	Advanced Mechanical Technology	Diploma in Engineering
		Mechanical / Production / Industrial and Production Engg. / Industrial Engineering
		OR
		Any other equivalent branch
		OR
		Degree in Engineering:
		Industrial Engineering / Industrial Production Engineering / Production / Mechanical / Industrial Engineering and Management
		OR
		Any other equivalent branch
		OR
		ITI
		Fitter / Sheet Metal Worker / Turner / Mechanical Maintenance / Maintenance Mechanic (Chemical Plant) / Pump Operator cum Mechanic / Operator Advance Machine Tools / Tools & Die Maker /10 ₊ Welder / Machinist
		OR
		Any other equivalent trade
8	Advanced Mechatronics and Industrial Robotics	Diploma in Engineering
		Electrical / Electrical & Electronics / Electronics / Mechanical
		/ Instrumentation and Control / Electronics and Instrumentation / Electrical and Instrumentation / Mechatronics / Industrial and Production Engg. / Automation and Robotics / Electronics and Communication
		OR
		Any other equivalent branch
		OR
		Degree in Engineering:
		Electronics and Communication / Automation and Robotics
		/ Mechatronics / Industrial and Production Engg. / Mechanical / Electronics and Instrumentation / Instrumentation and Control / Electrical and Instrumentation / Electronics / Electrical / Electrical & Electronics
		OR
		Any other equivalent branch
		OR
		ITI
		Mechanic - Machine Tool Maintenance / Mechatronics / Instrument Mechanic / Electronics Mechanic / Electrician
		OR
		Any other equivalent trade
9	Advanced Networking,AI and System Administration	B.Sc/M.Sc (CS or IT)
		OR
		Any other equivalent branch
		BCA/MCA
		OR
		Any other equivalent branch
		OR
		Diploma in Engineering
		IT / Computer Science / Electronics
		OR
		Any other equivalent branch
		OR
		Degree in Engineering:
		Computer Science / Electronics / IT
		OR
		Any other equivalent branch
		ITI
		Mechanic ComputerHardware/Information Communication Technology System Maintenance / IoT Technician / Computer Hardware & Networking / COPA / IT / Electronics
		OR
		Any other equivalent trade
